Incisive Insights Newsletter – October Issue

Today’s business landscape is the most dynamic we have experienced in a long time. The increased pace of business, coupled with an uncertain and complex global environment, means that actuarial executives are more challenged than ever to manage risk exposure in their businesses.

On the bright side, when actuarial teams have the visibility and control they need to manage risk, they are more engaged, productive, and valued. Read our [Chief Actuary Guide: The Path to Risk Resilience](#) to learn how to move to a risk resilient posture, anticipating and reducing exposure, and eliminating bad decision-making.
